Friendly and Expert Patient Centered Oral Surgery Care

Bryan P. Keegan, DMD

Dr. Bryan Keegan of Oral Surgery Associates, PA, is dedicated to providing your patients with the most advanced oral surgery in a safe, comfortable, and professional environment. We strive to exceed both your and your patients' expectations and appreciate the trust you place in us for their oral surgery needs.

As a Board Certified Oral & Maxillofacial Surgeon with Advanced Cardiac Life Support certification, Dr. Keegan is committed to continuous growth in his field. He invests significant time each year in continuing education to stay current with the latest advances in dentistry, surgery, and medicine. This ongoing dedication, combined with his extensive clinical experience, enables Dr. Keegan to develop personalized treatment plans that best serve both you and your patients' unique needs.

At our practice, we blend cutting-edge technology like computer-guided surgery with proven expertise to deliver optimal outcomes. We take a holistic approach, addressing each patient's emotional, medical, and surgical needs throughout their treatment. Our comprehensive care includes a wide range of anesthesia and anxiety-reducing techniques, administered by our highly trained, dedicated staff. Together, we strive to ensure not just successful procedures, but also positive, comfortable experiences for every patient we serve.

Dr. Keegan and the team at Oral Surgery Associates, PA, are dedicated to serving as your go-to oral surgery experts. We offer comprehensive, patient-focused care where comfort, safety, and outstanding results are our top priorities. By choosing our practice, you're ensuring your patients receive the highest standard of oral surgical care in a supportive environment.
